

# La vie est belle!

"**La vie est belle**" is a musical project that began in 2001.

It is the fruit of a life marked by different states of mind, such as anxiety, fear of tomorrow, permanent questioning, depression and finally the desire to end life.

A cycle whose outcome could only be death. After a suicide attempt, and several projects to put an end to my life, a light began to wake up in me thanks to music.

A sound, a word, a harmony and this destructive process has been reversed to become a living source. An overflowing and ever-brighter life has replaced death.

The past of suffering has definitely given way to a bright future dotted with touching melodies in the depths of the soul. A metamorphosis then gradually took place leaving behind bitterness, sadness and many other buried sufferings.

Today, this project comes to light as an embryo ready to be born. "**La vie est belle**" is a hymn to life, a call to people in distress, to all those who no longer see a way out whose life has become unbearable and who want to put an end to it.

**Mother Teresa** said:

"Life is an opportunity, benefit from it.

Life is a beauty, admire it.

Life is bliss, taste it.

Life is a dream, realize it.

Life is a challenge, meet it.

Life is a duty, complete it.

Life is a game, play it.

Life is costly, care for it.

Life is wealth, keep it.

Life is love, enjoy it.

Life is mystery, know it.  
Life is a promise, fulfill it.  
Life is a sorrow, overcome it.  
Life is a song, sing it.  
Life is a struggle, accept it.  
Life is a tragedy, confront it.  
Life is an adventure, dare it.  
Life is luck, make it.  
Life is too precious, do not destroy it.  
Life is Life, fight for it!.”  
It is impossible to remain insensitive to such a  
declaration of life!

"**La vie est belle**" will culminate next summer with the release of a video clip. It is also the result of a Belgian-Italian collaboration with the talented pianist, composer, arranger and conductor **Marco Ciccone**.

It will be an honor for me to produce this song, here is a preview of the text: « La vie est belle, tellement belle, ouvrons nos yeux et contemplons cette merveille, elle nous fait chanter, oh oui danser, je n'aurai jamais de cesse de l'apprécier, quand je vois tout le bonheur qu'elle m'a donné ».
